Incredibly designed and rare detached single family home in the heart of Cherry Creek North. This home has it all and is a short jaunt to the best restaurants, shops, coffee, and so much more. The open and well thought out floorplan boasts high ceilings throughout and amazing flow. The gourmet kitchen includes slab granite, custom cabinets, high end stainless appliances, breakfast bar and breakfast nook. Amazing master suite on the West side of the home includes a expansive master bath with high end finishes, large walk-in closet and a gas fireplace. Large finished basement includes a media room, wet bar, custom exercise room, and an office or excellent guest bedroom. All upstairs bedrooms include ensuite full baths. Other features include surround sound, intercom system, and elevator to all 3 floors. Oasis of a backyard off kitchen is truly serene.
